Our Mission

For more than 30 years we've helped students and professionals get into their dream schools. We provide the tools needed for success in high school, college, graduate school and beyond to help our students become well-rounded applicants.

Our proven methodology of test-taking strategies helps students achieve a guaranteed better score.[†] We offer a range of test prep options, including **one-on-one private tutoring**, **semi-private and traditional classes**, and **online prep** to fit any schedule and learning style. With our on-demand Homework Help and Admission Counseling for college and grad school, we help our students become more than their test score by **providing resources for better grades and a stronger application.**
